THE OHIO STATE UNIVERSITY

EDUCATION

2022 - present

Ph.D. Student at The Ohio State University

Major: Computer Science and Engineering

Advisor: Dr. Ping Zhang

2018 - 2022

Bachelor of Science at University of Science and Technology of China

Major: Computer Science and Engineering

RESEARCH INTERESTS

My research centers on integrating multiple data modalities and sources to enhance the effectiveness and robustness of artificial intelligence in healthcare, and support more accurate, equitable, and explainable clinical decision-making. I'm currently working in computational pathology (CPath), with a particular interest in hematopathology, which involves conditions of the blood.

REASEARCH PROJECTS

2023 - 2024

Student Associate at The Ohio State University

Deep Learning-assisted Surgical Margin Assessment for Canine Soft Tissue Sarcoma Based on Polarization-sensitive OCT

WORK EXPERIENCE

2022 - present

Graduate Teaching Associate at The Ohio State University

- CSE 2111 - Spreadsheets & DataBases
- CSE 2112 - Spreadsheet & DataBases for Engineering
- CSE 2331 - Foundations II: Data Structures and Algorithms
